Tuesday, September 19, 2006

8:15 AM—4:15 PM

Sponsored by **FLOWSERVE**

DO YOU KNOW WHAT A **DEEMED EXPORT** or **TECHNOLOGY TRANSFER** IS?

Do you know that if you violate the Deemed Export or Technology Transfer rules enforced by the Bureau of Industry and Security (BIS), both **YOU** and **YOUR COMPANY** can be subjected to serious penalties:

- *Criminal* (willful or knowing violations)
- Civil (strict liability regardless of knowledge)
- Corporate and individual

Examples Include:

- Monetary fines from \$50,000 to \$ 1,000,000 per violation
- Imprisonment up to 10 years
- Negative publicity
- Suspension/revocation of export privileges
- **Corporate equivalent of death penalty**

These penalties are not exclusive; the Treasury Department's Office of Foreign Assets Control (OFAC), the State Department's Directorate of Defense Trade Controls (DDTC), the Justice Department, and other agencies can apply separate penalties.

ARE YOU WILLING TO RISK IT ALL?

If not, we invite you to join us in a one-day seminar to learn practical tips and tools on how to manage the most difficult export control challenges.
